**Re: Ex Parte Presentation,  
Petitions for Protection from Whipsawing on the U.S.-  
Philippines Route, IB Docket No. 03-38**

Dear Ms. Dortch:

On April 29, 2004, Peter Shields and Heather Dixon of Wiley Rein & Fielding, counsel for Globe Telecom, Inc. ("Globe"), met with Barry Ohlson, Senior Legal Advisor to Commissioner Adelstein. Counsel reviewed Globe's concerns about the International Bureau order in the above-captioned docket dated March 10, 2003 and provided an update on the open Department of Justice investigation of Globe and the other Philippine carriers related to international termination rates. Specifically, counsel explained that the record did not support the Bureau's finding that Globe together with other Philippine carriers had whipsawed AT&T and MCI into accepting its proposed rate increase.

Kindly direct any questions regarding this matter to the undersigned.

Respectfully submitted,

/s/ Peter D. Shields
